THE ONLY ONE AUTHORIZED 1—The Rob of DR. BOYVEAU LAFFECTRUR is far superior to the sirups of Cuisinier, or sarasparilla, or other similar remedies. It radically cures
without mercury all affections of the skin, darters, escrolla, the consequences of itch, ulcers, accidents from accouchments, the critical
period of life, and hereditary acrimony of humors. As a depurative it is powerfully efficacious in catarrhs of the bladder, in contractions and other weakness of the organs arising from abuses of
injections or soundings. As an anti-sphilitic the Rob cures in a
very short time recent ar inveterate diseases ensuing from the use
of balsam of copavia or cubebs, or from injections, which only repol
the virus without neutralizing it. The Rob Boyceau is, above all,
recommended in syphilitic diseases, whether recent or long standing, and which have resisted the powers of mercury, or the lodure
of potassium.

WATCHES—The largest assortment ever offered to our customers—Those in search of very superior time keepers will flad our stock to embrace all the more celebrated makers, suitable both for ladies and gentlemen.

UTAH TERRITORY.

28i0 From C. dar City, by Harmony and Pine Clara. Bidders to state schedule and distance. INSTRUCTIONS.

1. No pay will be made fortrips not performed, and for each of sucmissions not satisfactorily explained three times the pay of the triang be deducted. For arrivals so far behind time as to break conception with depending mails, and not sufficiently excused, one outside the compensation for the trip is subject to forted reduction will also be ordered for a grade of performance inferio.

infortia of the compensation for the trip is subject to forfeiture. Deduction will also be ordered for a grade of performance inferior to that specified in the contract.

2. For leaving behind or throwing off the mails, or any portion of them, for the admission of passengers, or for being concerned in setting up or running an express conveying intelligence in advance of the mail, a quirter's pay may be adducted.

3. Fines will be imposed, unless the delinquency be promptly and satisfactorily explained by certificates of postmasters, or the affidavits of other credible persons, for tailing to arrive in contract time; for neglecting to take the mail from, or deliver it into, a post office; for suffering it (lowing either to the unsuitableness of the place or usammer or carrying it) to be wel, injured, destroyed, robbed, or lost; and for refusing, after demand, to convey the mail as frequently as the contractor runs, or is concerned in running, a coach, car, or st unboat on a route.

4. The Postmaster General may annul the contract for repeated failures to run agreeably to contract; for violating the post office is any or disobeying the instructions of the department; for running an express as aforesaid; or for transporting persons or packages conveying mailable matter out of the mail.

5. The Postmaster General may order an increase of service on a moute by allowing theyefor a pro-ref increase on the contract pay. He may change schedules of departures and arrivals in all cases, and particularly to make them conform to connections with railroads, without increase of pay, provided the running time be not abridged. The Postmaster General may accurately according to contract of miles of the department, appointed for that purposes of the department, appointed for that purposes, and particularly to make them conform to connections with railroads, without increase of pay, provided the running time be not abridged. The Postmaster General may accurately a survival of the department, or the department of the department, an

same, or in case he desires to supersede it by a dinerent grade of transportation.

6. Payments will be made for the service by collections from, or drafts on, postmasters, or otherwise, after the expiration of each quarter- say in February, May, August, and November.

7. The distances are given according to the best information; but no increased pay will be allowed should they be greater than advertised, if the points to be supplied be correctly stated. Bidders must inform themselves on this point; and also in reference to the weight of the mait, the condition of roads, bills, streams, &c., and all toll-bridges, ferries, or obstructions of any kind by which expense may be incurred. Offices established after this advertisement is issued, and also draing the contract term, are to be visited without extra pay, if the distance be not increased.

JAMES CAMPBELL,

Postmaster General.
